

Classroom Strategy

(**Class Meetings** – choice from **hurtful** to **helpful**)

P = **P**roblem is stated-have child own their problem

E = offer **E**mpathy to the child that made a poor choice

A = **A**sk the child, “What do you think you are going to do?”

C = offer **C**hoices and suggestions

E = **E**ncourage child to come up with his own solution
